## Candidates List for 22<sup>nd</sup> Executive Committee Election

### Candidate No. 1

#### Vivien Chan (ID Chu Chiu Ching)

My name is Vivien. I was a <sup>Marymount</sup> alumna, which just came back from Canada. I am very passion in being part of MPS PTA as I can use my nutrition background to implement in the school environment. Once the children <sup>implemented</sup> are educated, they can help to influence their families too. In this way, it can definitely improve the Parent and school interaction. I know MPS so well, I will be very proud to being part of the community <sup>and</sup> use all my effort to support the PTA and the school in return of the previous love that I experience in my past.

### Candidate No. 2

#### Michael Chow (3C Monique Chow)

Good day everyone! This is Michael, daddy of Monique Chow currently in Class 3C. In Marymount, it is no doubt that every parent loves their girl(s) and loves the school. Same for me. In this case, I choose to take one step forward to serve in the PTA again and place myself between the school and the parents. I hope my dedication of time and effort can collaborate with the school's Values Education, and help Marymount become an even better school than ever.

大家好, 我是 3C 班周蒞喬爸爸 Michael. 完成了兩年在瑪利曼的生活, 我的女兒現已升上了三年級. 而我仍然像兩年前, 亦像很多今年剛加入瑪利曼的家長, 懷着既開心又緊張的心情來迎接未來的一年. 我想了又想, 亦問過女兒的意見, 我應否再一次參選家長教師會, 女兒天真直接地回答: 「好呀!」.

過往兩年在家長教師會內負責了不同的活動及職務, 沒有什麼實質的報酬, 但當我看到每個小女孩臉上流露着可愛的笑容, 這股力量給我勇氣站出來, 盡一點綿力延續他們歡樂的小學回憶.

來年希望有機會再為大家在家長教師會裏服務, 請投下您神聖的一票, 多謝大家支持.

Candidates List for 22<sup>nd</sup> Executive Committee ElectionCandidate No. 3Amy Ho (IC Kyra Lau)

Like many other P1 parents who are (or were) anxious to find out more about their girl's new school and a fresh start to a new stage of life, I am surely like one of you! As what was suggested by our MPS PTA chairperson and treasurer at the P1 Orientation Day, I also believe one of the best and quickest way to find out more is to get involved in school PTA and PTA activities. I'm eager to get involved to help my girl, our family, and all of our student families to participate and become part of our school community. I believe with that sense of belonging, our girls will have better dedications in their education experience at MPS.

I sincerely hope that my experiences as a PTA executive committee member in the previous years at my girl's kindergarten would allow me to immediately put myself into work to help out the MPS PTA in enhancing the bond between our school with parents and students into one coherent family.

## Candidates List for 22<sup>nd</sup> Executive Committee Election

### Candidate No. 4

Lam Kei Hon, Jackson (ID Lam Hei Yin, Phoebe)

*Hello I am Jackson. Daddy of Phoebe Lam.  
As a technology person, I hope to help our  
group better communicate with each other and  
understand each other through some smarter tools.  
I also would like to see how parents can better  
understand how student behave and the challenges  
they face at school through some dialogues  
or using some platforms. Parents have the  
responsibility to work with  
school to help  
students achieve  
their goals.*

### Candidate No. 5

Dora Lee (5B Sonia Lau, 2A Reese Lau)

I am Dora Lee, mother of three with two MPS girls in P2 and P5. I am a CPA and have been working in commercial sector for over ten years. Now I work in a charity organization. This allows me for a more flexible work hour to take care of my 3 kids. In the past five years, I have actively participated in MPS activities including Lunch Helper, Games Day, Sports Day, Fun Fair and Fun Time with Parents.

I love the spirit of openness and close cooperation between the Executive Committee, the Principal and the Staff in MPS who focus on what is best for all students and work together in providing quality education for all students. I hope as a parent member of the PTA I can facilitate the committee to communicate the need of the students and parents and collaborate with the school to focus on student achievement and ensure their success.

I look forward to serving the PTA and the MPS community. Thank you!

**Marymount Primary School Parent-Teacher Association****Candidates List for 22<sup>nd</sup> Executive Committee Election****Candidate No. 6****Leung Tin Cheung (1B Leung Hoi Q Daveena Dasha)**

**I, Leung Tin Cheung, parent of Leung Hoi Q Daveena Dasha of Primary 1B (student number: 17), am interested in standing for the election as one of the Parent Members of the 22nd Executive Committee of the Marymount Primary School Parent-Teacher Association.**

**By way of introduction, I am a 43 years old daddy with one daughter aged 6 and one son aged almost 4. I work in real estate industry involving investment and project management. I always care about the upbringing of my kids that evaluates more than just academic education. I strongly believe that the development of personality, characteristic and attribute within a kid could contribute tremendously to a positive attitude towards life and feeling of happiness. For a kid to acquire those intangible assets during the time in primary school, it definitely requires continuous observation on the behaviour of kids during school time and after school time so as to appreciate their growing in their own unique way. Therefore, communication and cooperation between parents and the School would be very helpful. I think joining PTA could promote co-ordination between the cultivation of the School and home. It is supportive and complementary to each other from different aspects of the School and home activities. Thus, I am willing to contribute to PTA as a committee.**

As parents, our daughter's cultivation and growth is of utmost importance. We wish for her joy and happiness. MPS also stresses a lot on the joy in learning. Sharing this same philosophy, it is a grateful and valuable chance to be able to cultivate MPS girls. Joining the PTA can no doubt help with the collaboration between parents and the school, so that we could walk hand in hand and provide our girls with a safe, dependable and trustworthy place, especially in this challenging time.
