Candidates List for 23rd Executive Committee Election

Candidate No. 1

Mr Gary Wan (3A Iriel Wan)

This is Gary Wan, father of Iriel Wan of class 3A. My elder daughter also graduated from MPS last year. I was a member of the PTA exco from last school year. Due to the epidemic, despite the PTA exco together with the school had planned lots of meaningful & fruitful activities for students and parents, we weren't able to execute them. I hope I can

render your support once again this year, so that I may have the opportunity to serve the MPS community once again. Thank you.

Candidate No. 2

Mr Benjamin Chui (4C Sierra Chui)

I am the parent of my nine-year-old daughter, who is currently in Class 4C. Over the years in life, my wife and I were fortunate to have received training in school and at work and felt prepared for whatever work gets thrown at us. However, when our children started school, we were like deers in front of headlights and were anxious even before starting at MPS. Fortunately, we met various teachers and parents through MPS, who graciously shared their guidance, insight, and camaraderie, which led to an enriching experience for my daughter and family. I aim to continue this tradition and to pay-it-forward and hope the parents who are new to MPS be confident in their upcoming journey.

Each time I enjoy seeing the girls and their bright smiles. I would like to enhance the cooperation between parents and the school so that we maybe able to foster a positive learning environment. Please vote for me!

Candidate No. 4

Mr Dominic Siu (4C Sonia Siu)

It's with my great pleasure that I stand for the election for a parent member of the Executive Committee. In addition to my parental support for my daughter, I hope I can contribute to MPS by serving at the PTA to bridge the school and fellow parents so as to work together for the goods of the students.

I've been working for major banks and insurers throughout my career. Currently, I'm Director, Head of Digital at a leading insurer. I also support the industry by being the Chief Assessor for the government-led HKICT Fintech Awards this year.

Mr Matthew Luk (5B Charlotte Luk 3C Charmaine Luk)

Dear Parents,

My name is Matthew, a father of three in a Catholic family, with my two daughters now in P3 and P5.

In the year of 2018 - 19, I had once been an Executive Publication Officer in MPS PTA. I had helped in organizing a variety of school events such as Games Day, Sports Day, Graduation Dinner and so on.

I strongly believe that close Home-School collaboration is vital nowadays to provide the best education to children. I hope I will be given chance to share my experience and dedicate my contribution to serve the MPS family again.

Thank you and God Bless.

Candidate No. 6

Ms Ariel Fung (5C Sophie Sy 4A Serene Sy)

My two daughters have started studying in Marymount Primary School in 2016 and 2017 respectively, and I have since then witnessed the importance of parent-school cooperation. I helped out at MPS PTA as an activities officer in year 2016-2019. I believe PTA activities enhance communications between parents and the school which in turn nurtures students' development, and I hope I would be given a chance to contribute to our children's learning journey through PTA.

Candidate No. 7

Ms Dora Lee (6B Sonia Lau 3C Reese Lau)

Hello everyone, this is Dora Lee, mommy of Sonia Lau and Reese Lau currently in class 6B and 3C. Last year I served as the vice chairperson of the Parent Teacher Association. It was a precious and unforgettable experience. I had the opportunity to organise school events such as the MPS Horizons Fair 2020 and implement new ideas by setting up book and school uniform donation counters during the event. At the same time, I also involved in editing the school journal, newsletters and worked with our PTA committee members in all the PTA activities.

In the coming year, I hope to dedicate more time to connect with school and parents and provide coordination and support to cope with concerns that arise from today's fast changing environment to ensure a smooth and pleasant learning atmosphere for the MPS girls.

I am looking forward to serving the PTA and the MPS community and I think we can have a positive impact whilst increasing parent involvement and student performance. Thank you!

I am so grateful that my daughter enjoys her happy school life in this loving and caring school. This year is her final year in MPS, I would like to give my best contribution to the school. I hope I will be given a chance to serve the school.
