**Mr Joseph Mak (1C Scarlett Mak)**

My name is Joseph Mak and I am a working father of new intake Class 1C Scarlett Mak. I am very excited to participate in the PTA election and committed to the 3 objectives below:

1. To achieve two-way communication:

We hope to become the communication bridge between parents and the school, to better facilitate our children's education and let the parents better understand the mission of MPS.

2. To be more integrated into our children's daily school life:

Through organizing and participating in all kinds of different activities to create more parent-child interaction bubbles and deliver positive energy.

3. To be the role model for the children:

Giving is more rewarding than receiving. Encourage them to help others and contribute to society more.

Thank you.

**Ms Stephanie Choi (1D Sophianna Chan)**

大家好，我是小一新生陳康喬的家長，有感於現在的家教會在學校扮演著重要的輔助角色，我希望藉著參加常務委員的工作，推動校內校外各種不同的活動，配合學校的教學理念，加強學校，家長和學生之間的了解和溝通。我亦期望可以為老師和學生提供適當的支援，發揮家校合作的精神，從而培養小朋友對學校的歸屬感，讓她們可以在一個愉快的環境下一同學習，一同成長。謝謝！

Candidates List for 24<sup>th</sup> Executive Committee ElectionCandidate No. 3Ms Barbara Yu (2A Kayley Tsui)

Being a former MPS student & mother of 2 MPS girls (P2 & P4), I am keen to be part of the PTA & devote my time and efforts for the school + students. This year is especially meaningful as it is the 95<sup>th</sup> anniversary and will be a busy year for preparation. I want to offer as much as I can to ensure a smooth celebration for the students, teachers, parents and ex students of the school.

Candidate No. 4Mr Siubo Ho (2B Yat Yei Ho)

It is a blessing to be a parent. I am lucky that I can be a father of three girls. Though the journey is long and sometimes bumpy, I do enjoy being with them. They keep me learning and striving the best for them. They are my motivation and drive to be a better man. I strongly believe in "Home - School - co-operation". Education is not only counting on school, we, as parents play a crucial role for the development and growth of our girls. My professional experience in video production of kids' shows left me many valuable moments when I was filming with all kids. I realise that every child is unique. They can shine if you guide them. But how? It's about teamwork. I wish that I can serve as a member of PTA and join hand together with all others parents and teachers to make a better future for all our girls.

**Ms Vivien Chan (3D Jungcey Chu)**

This is Vivien. I am the MPS alumna. I am very proud of being part of the Marymount family. I would want to support as much as I can for the school. Our education system was facing challenge due to the COVID-19. with my experience on being part of MPS PTA in 2019/2020. (a year of switching everything virtually) I think I could be an asset to be part of the team.

**Candidate No. 8**

**Mr Matthew Luk (4B Charmaine Luk)**

My name is Matthew, a father of three in a Catholic family, with my daughter now in P4. I had twice been an MPS PTA Executive Committee member and was the Treasurer last year. I had helped in organizing a variety of school events such as Value Education Workshops, Sports Day, Graduation Party and so on. I strongly believe that close Home-School collaboration is vital nowadays to provide the best education to children. I hope I will be given chance to share my experience and dedicate my contribution to serve the MPS family again.

Thank you and God Bless.

**Candidate No. 10**

**Mr Benjamin Chui (5A Sierra Chui)**

Since my daughter started Primary 1, I have always seen how active the MPS-PTA has been, with many events and collaboration between the parents and the school. I had the privilege to serve on last year's Executive Committee, and in the process, I am even more impressed with the school's management and the true partnership between the teachers and the parents.

By organizing last year's virtual Christmas party, I got my first hands-on experience in coordinating parent volunteers and the school's operational team. For 2021-2022, I hope to contribute my small part to furthering additional events. Hopefully, they are in person if conditions allow.

**Candidate No. 11**

**Ms Lok Pui King (6C Saniya Sharma)**

As we resume face-to-face teaching this September, many girls entering Primary 1 may be attending regular classroom learning for the first time, given the various measures put in place to control the spread of COVID-19 since 2020. With my 20 years' experience in the nursing profession, I hope to be able to offer my services in arranging programs to facilitate the new girls to adjust to formal school life. My experiences in nursing education and health promotion to students would be conducive towards achieving this goal.

Through participating in the PTA in the coming year, I wish to offer my experience and insights to promote a smooth transition for the younger girls to formal primary school education. Being a mother of a Primary 6 girl, I understand the various stages that children go through as they immerse into the school community.

I sincerely wish to have your support to be a parent member of the Executive Committee of the MPS PTA.
